Cell: 760.533.2937

<http://www.DatagoniaWeb.com>

Home Address:

911 Hornblend St
Pacific Beach, CA 92109

Career Objective:

To begin and maintain a growing professional career in Web Development, to quickly increase expertise within targeted areas: complete development with eventual focus in algorithms and databases, and eventually reach mastery within these areas. The ultimate goal is eventual ownership (part or whole) of company within Web Development field.

Work Experience & Projects (Most Recent First)

- **www.WallOfFameSports.com (development started 12/2013, estimate launch of 1/2014)**
